

## Transformation of the Orphan

(As His love flows when I am in His arms/His presence, the orphan spirit drops off!)

Jesus says: You are desired. You are mine. Receive who you are. Let the orphan spirit drop off, Little One. Receive the oil. The blessing. My love. Soak in the fullness of Who you are. Who I AM. Let it drop away. It is no identity of yours. It is not you. THIS is you: Glorious. Mine. Cherished. Loved. Its so easy. Be with Me. Let Me hold you. Do not fight the intimacy. Be vulnerable. Trust Me. Melt next to Me. Be My Love. Stay in My arms. Find your strength there, your daughtership. You are My Daughter of Oil. A Daughter, set apart...to be Mine. As a holy one. With the fragrance of Me surrounding you. A DAUGHTER now.
