

WISDOM'S WARRIOR: Bride of The Presence

Jesus says: "You ARE the Warrior. You are not held down; you are not defeated. Arise. You can do all things in Me. Arise. You are more than conqueror. You have Supernatural Strength. You have Supernatural Sight." The Bride's purple eyes represent looking down from the Heavens instead of looking up from the earth. The shofar, Her strength, releases the sound of the Blood. Her chainmail is revelation and faith.
